ABSTRACT

This book, based on the National Deans Survey, which was sponsored by the Center for the Study of Academic Leadership and to which 800 deans from all U.S. four-year academic institutions responded, clarifies the nature of the job and its responsibilities. Part 1, "Deans--Their Campuses and Colleges," contains two chapters: (1) "The Deanship"; and (2) "Transition to the Deanship." Part 2, "Dimensions--Duties and Challenges," contains: (3) "Dean Leadership"; (4) "What Deans Do"; (5) "Work-Related Stress in Deans"; (6) "Organizational Commitment and Intention To Leave: Why Deans Stay"; (7) "Female and Minority Deans and the Keys to Success"; (8) "Balance, Trade-Offs, and Life after the Deanship"; and (9) "Leadership Development: Answering the Call to Leadership." An index is also included. (Contains 58 tables, 5 figures, and 357 references.) (SLD)
